MONTEREY

DRINKING WATER MONITORING SCHEDULE

THE CALIFORNIA DEPARTMENT OF HEALTH SERVICES (CDHS) MONITORING SCHEDULE LISTS REQUIRED CONTAMINANT TESTING OF DRINKING WATER FOR PUBLIC WATER SYSTEMS IN CALIFORNIA. THE SCHEDULE INCLUDES REQUIRED UPCOMING TESTING, PAST DUE REQUIRED, AND WAIVED TESTING.

THIS INFORMATION IS VALID AS OF MAY 15, 2007.

UPDATES WILL BE REGULARLY PERFORMED REFLECTING CHANGES IN THE CDHS WATER QUALITY MONITORING DATABASE. THESE DOCUMENTS SHOULD BE CONSIDERED "DRAFT" IN THAT THEY MAY CHANGE WITH SUBSEQUENT UPDATES AS NEW DATA ARE SUBMITTED, OR AS MONITORING SCHEDULES ARE REVISED. THIS MONITORING SCHEDULE SHOULD NOT BE USED TO DETERMINE IF SYSTEMS ARE IN COMPLETE COMPLIANCE WITH MONITORING REQUIREMENTS. THE PURPOSE IS TO ASSIST SYSTEMS IN THEIR PLANNING FOR SAMPLING EVENTS, AND VERIFICATION OF SCHEDULED MONITORING WITH CDHS RECORDS.

THE TELEPHONE NUMBER FOR THE LOCAL DRINKING WATER OFFICE IS:

(831) 655-6939

Please be aware that the monitoring schedules do not reflect compliance with initial monitoring for newly regulated constituents (such as MTBE), or constituents that require special monitoring frequencies. Specifically, the Department's database is unable to accurately forecast the following for the Monitoring Schedules:

(1) the initial monitoring required for MTBE;
(2) the repeat monitoring frequency for radiological constituents: The frequency of long-term radiological monitoring will be reflected in the schedule upon completion of initial monitoring by the water system and review by CDHS Drinking Water staff. Guidance for conducting initial radiological monitoring was previously distributed to all community and NTNC water systems, and any questions should be referred to the appropriate CDHS Drinking Water district office;
(3) the SOC frequency for large water systems serving over 3,300 people of 2 quarters every 3 years. In addition, if you have been advised of any increased monitoring that is not reflected in the Monitoring Schedule for a particular source, please contact your local Drinking Water District office

Some older data may not be present in the CDHS database, and these are indicated in the schedule as "DUE." If these samples were taken, have your laboratory submit the data. Since January 1, 2001, data have been required to be submitted directly to CDHS' via electronic data transfer (EDT).

If sampled after January 1, 2001, have your lab submit those data (and data prior to 2001 if possible) electronically as required to CDHS via EDT. Your laboratory can contact Anthony Meeks in the CDHS' Monitoring and Evaluation Unit at (916) 449-5568 or at edt@dhs.ca.gov for further information. Changes in the monitoring notification documents will be seen in the next update.
